

WHAT IS OUR SHARED FOOD VISION FOR CAPE BRETON-UNAMA'KI? Community Input Survey

Please return completed surveys to: islandfoodnetwork@gmail.com

When it comes to food in Cape Breton:

1. **What three food issues matter to you most and why?** [Consider issues related to: food production, food processing, local food distribution and selling, ecological health, food access and affordability, food culture and celebration, food knowledge and education]
2. **What three things do you wish for when it comes to food in Cape Breton?** Dream big! [Consider: food production, food processing, local food distribution and selling, ecological health, food access and affordability, food culture and celebration, food knowledge and education]
3. **What three things are working when it comes to food in Cape Breton?** Are there big or small successes related to food that we could grow? [For example, projects, customs and services that improve food for our communities].
4. **What three things are not working when it comes to food in Cape Breton?** What makes it hard for people to get the food they want and need? [Consider things like: regulations, policies, income, lack of economic opportunities, environmental problems, gaps in food knowledge and education, etc.]
5. **Is there anything else you would like to share?**
